INSTALLATION SERVICES

Dulles Glass offers professional installation services for your purchased glass shower doors.

Installation Process:

Dulles Glass does not offer measurement services for Pre-made shower door selection, an inspection visit can be arranged for an additional \$299 fee.

Once all selections and a purchase is made, two certified Dulles Glass installers will deliver and install your shower door at a mutually agreed-upon time.

Technicians will not unload the glass until a pre-installation checklist is complete to identify any potential installation issues.

A decision-maker must be present during installation to approve the installation and sign off on the findings.

Rejection of Installation: If the installation is rejected for any reason, a refund will be issued on the product and a \$299 trip fee will be applied.

Custom Shower as an alternative Option: If installation is rejected, Dulles Glass technicians can measure for a custom shower and the entire trip fee of \$299 can be applied towards the purchase of a custom shower.

Fees:

Installation Fee: \$750 per unit. (Discounts on multiple units installation in the same job site may apply)

Inspection/Evaluation Fee (Optional): \$299.

Trip Fee (If installation is rejected): \$299 per unit.
